

இருந்தா

Susanne,

you're a real nice girl  
and I've enjoyed knowing  
you. I hope you always stay  
that way. Remember the trip  
to Raleigh? How could you  
forget? We'll really miss  
you around this place  
next year! You always  
did tell me out in history.  
Oh, well what's life. God bless  
and keep you always!

P.S. But you can't  
outtalk me!!!!  
amen!

Love,

Janette (manth)

Susanne,

It has been nice knowing  
you these last two years that  
you are going to be here. you  
know you will be going to  
college and everything  
wayne.

Susanne  
It has been nice knowing  
you this year. You are very  
nice girl. Best Wishes and  
the best of luck in the  
future.

James

Susanne,  
you're the girl with  
all the brains and boy  
have you got 'em. you're  
a terrific girl with a  
warm smile and a  
personality to match.  
Don't forget all those  
fantastic math  
classes, the  
physics and  
the wonderful  
teacher.  
Love always  
Freddy.

Susanne Fargeson

Susie,

Don't forget all the wonderful times we've had such as the beach, the Jr-Sr, talks in the car on the way to church, the progressive slumber parties and so forth!! We'll have to get together graduation night and really celebrate! Please remember and don't tear down any more moral fibers than you already have! You'll have to come to Coker and see me!

Always,  
Haniell

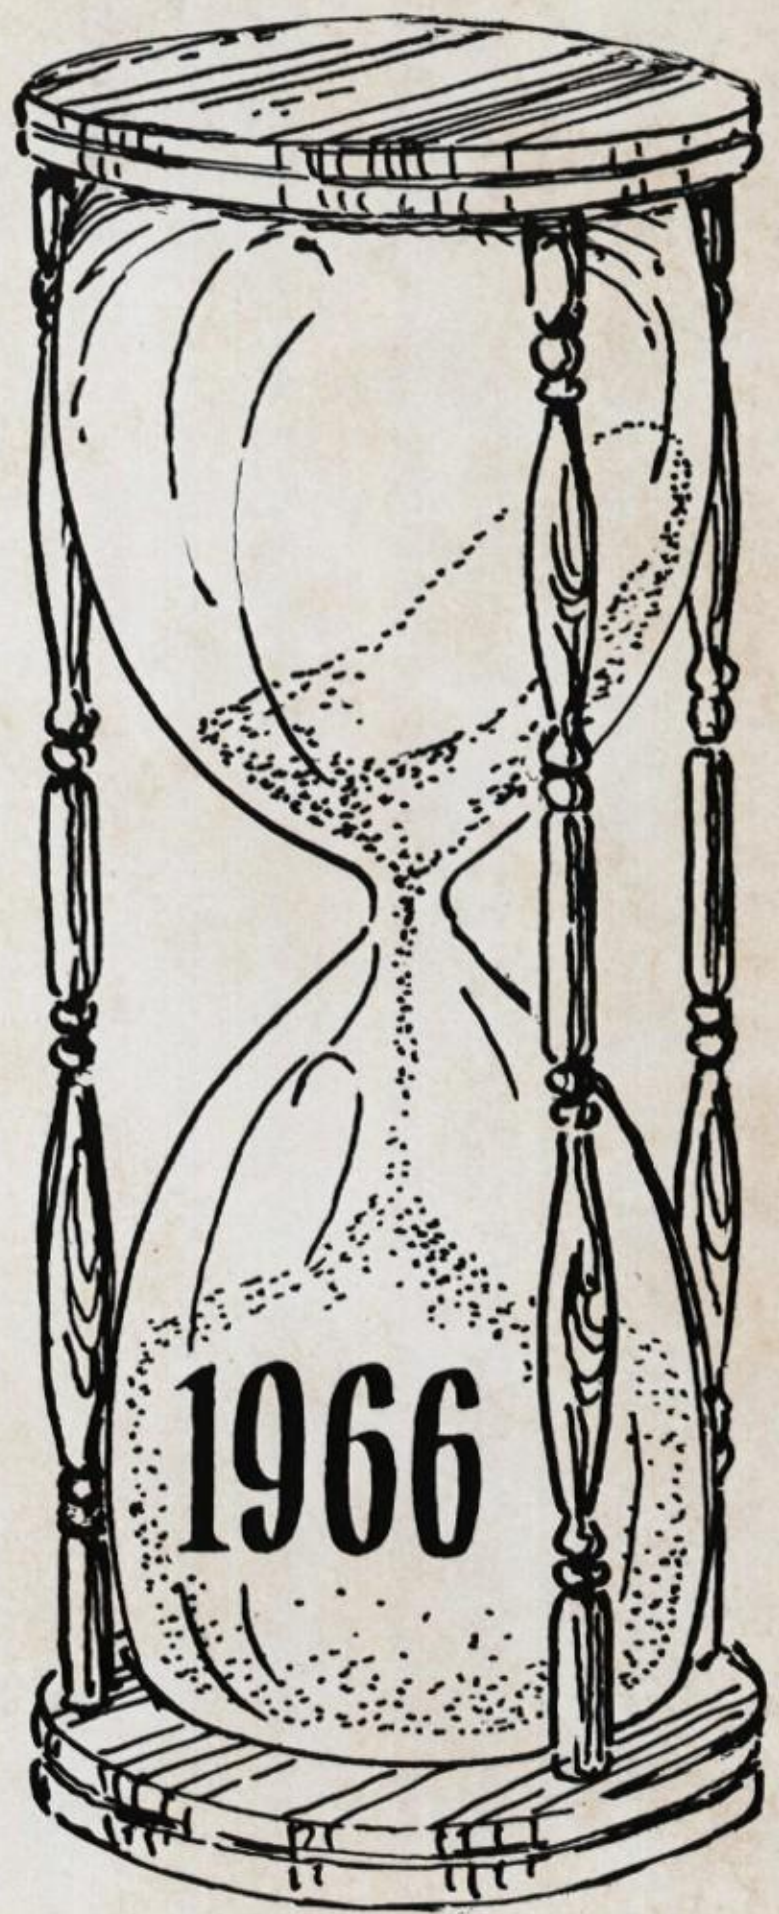

Susie,

Well I guess it's your time to leave us but it might be mine too. We never did get a chance to go off together which I really do regret. You are one of the sweetest and nicest girls I've ever known. Maybe if I'm lucky I might get a chance to date you this summer, I'm hoping so. I really do hate to see you leave but everyone has their time. Good luck and God bless you. If you will stay the way you are now you'll go far in life.

Love ya,  
Johnny

Hallsboro High School

Hallsboro, North Carolina

The HOURGLASS is turned. The grains of the PRESENT steadily flow into the PAST.

Just as there are unnumbered incidents in history, on these pages we record in pictures a small part of the history of our school for this school year 1965-66. The good times and the bad, the uncertainties and the realities, the confused times and the happy mysteries blend our relationships to each other. The search for a small bit of learning during our stay here has influenced us to a better understanding and a love for life.

In our times we have seen many innovations of and improvements to the physical plant of our school, as well as growth and change in our own lives. As we wait for the HOURGLASS of TIME to empty into the PAST, may each experience be a glory and a true enrichment for the FUTURE.

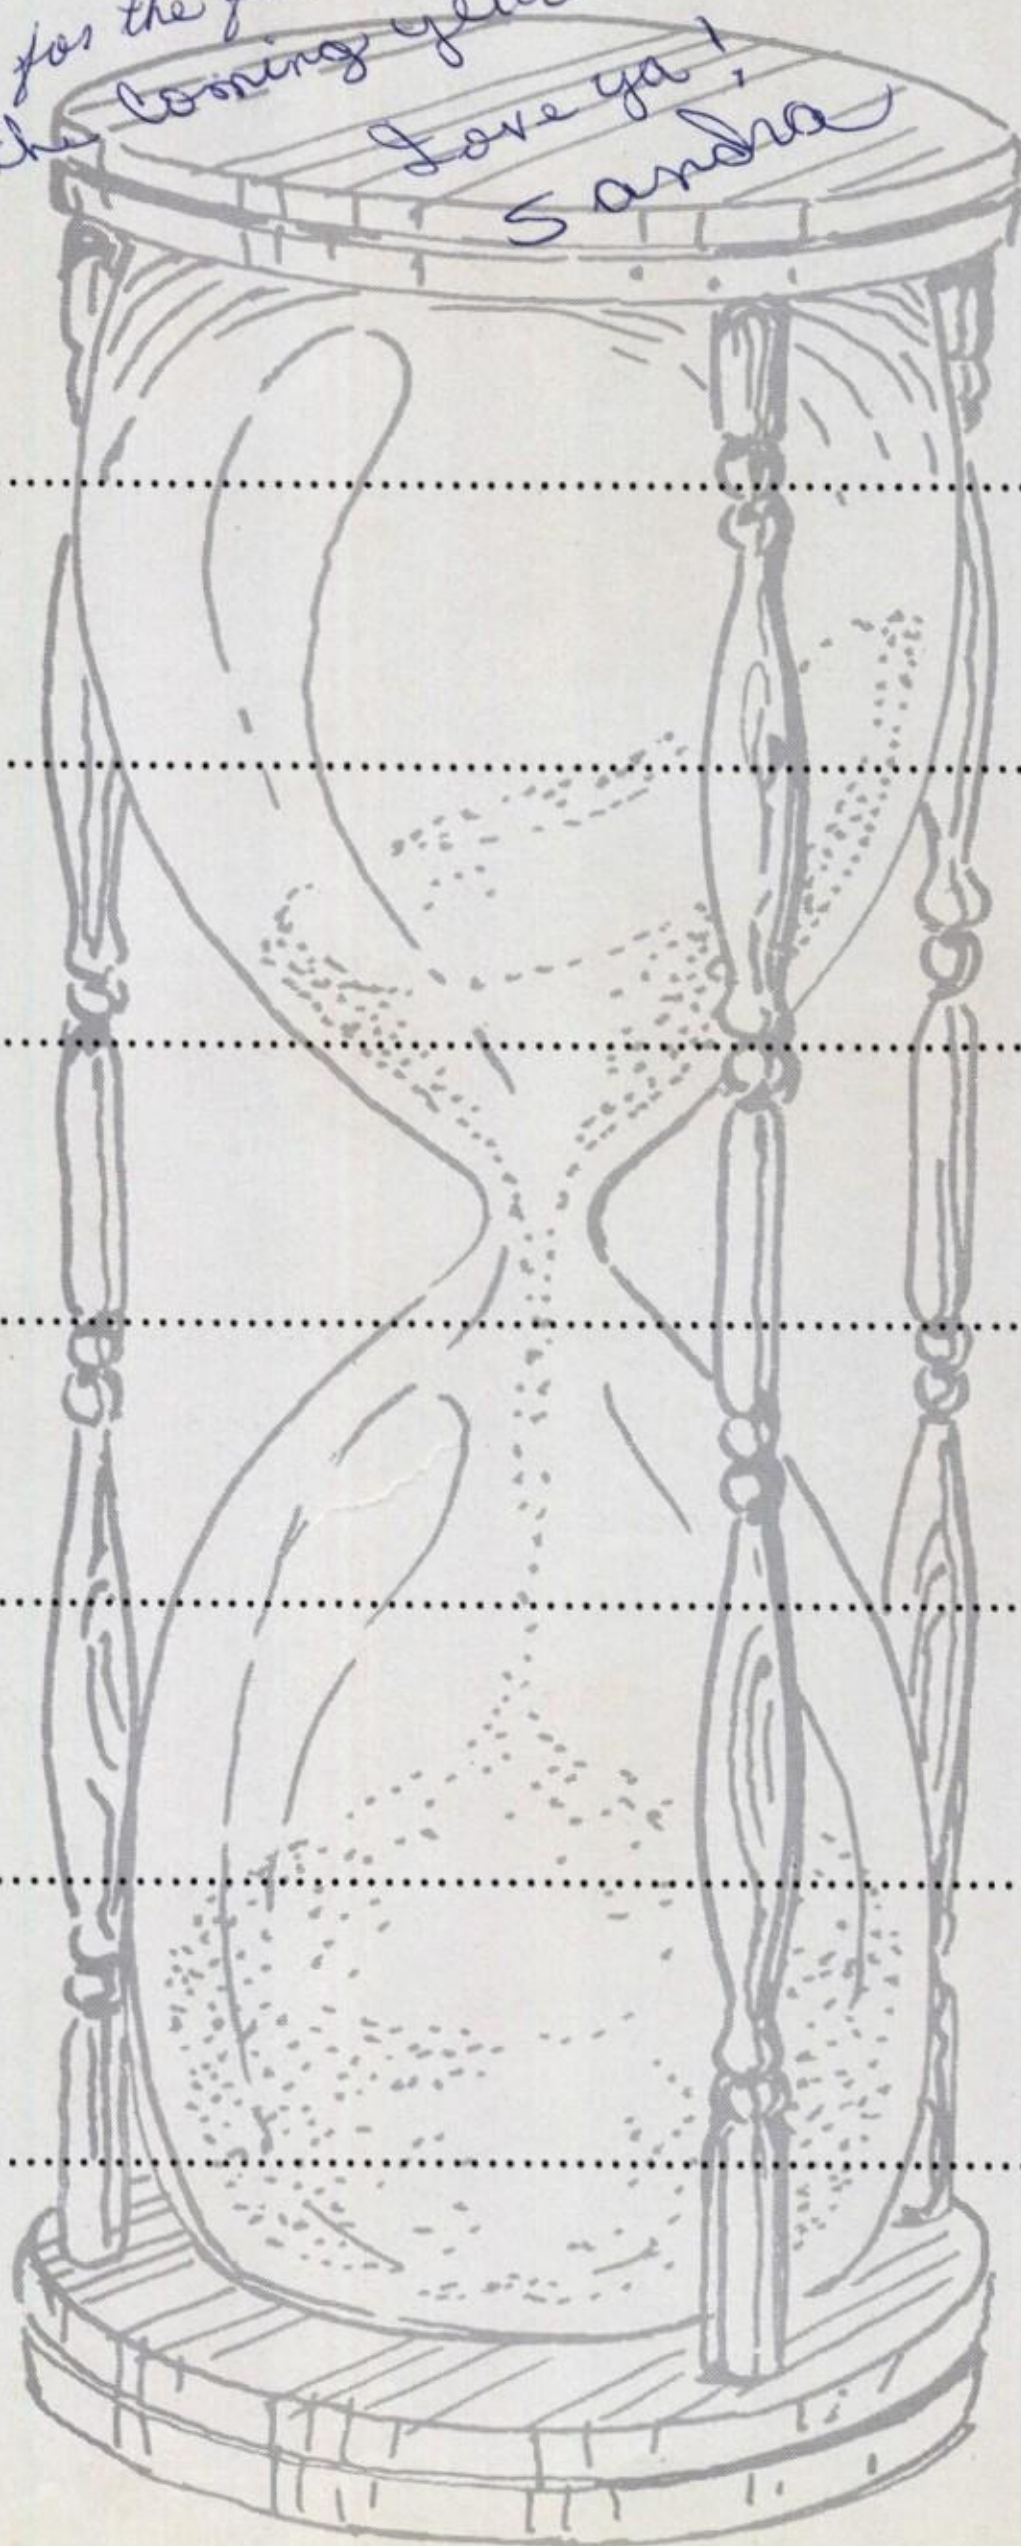

To our Alma Mater we lift our hearts in true thankfulness for the memories it has granted us, and may it in the FUTURE continue to advance in the fields of education.

Susanne,  
 I have enjoyed knowing you  
 these past years,  
 Best of luck for the future and  
 through the coming years  
 Love ya!  
 Sandra

### Popular, Poised and Pretty —

They stole our hearts away. The football players chose the girls who, they felt, reflected qualities of poise, youthful freshness, pleasing personality, and beauty. At the halftime activities the lovely girls of the court were introduced and Faye was crowned HOME-COMING QUEEN OF 1965, by Curtis Powell. Robert Stephens presented a bouquet of red carnations.

The dance was held immediately following the victorious game, between West Columbus Rebels and Hallsboro Tigers. The court was again introduced. The students danced to the music of the Del-Notes.
